Light of Lanka Foundation Account DONATION FORM

Light of Lanka Foundation strives to assist orphans and disadvantaged children in the Southern region of Sri Lanka in the most direct way we can.

Light of Lanka Foundation will initially focus on the construction of an orphanage in the Galle area, to not only provide a safe, caring and nurturing environment for orphans of the tsunami, but to also assist disadvantaged children in the community.

Long term, Light of Lanka Foundation will continue to support children by providing funds for key programs such as health, education, emotional counselling and fostering. We also aim to provide a link between the children in the orphanage with children in Australia through various school programs.
